

NEWCASTLE  
AND STAFFORD  
COLLEGES GROUP

## GAIN THE LEADING EDGE

WITH STAFFORDSHIRE'S MOST SUCCESSFUL TRAINING PROVIDER

As a key employer partner, we would like to invite you to attend a business networking seminar on  
**Thursday 2<sup>nd</sup> March.**

Our free breakfast and lunch seminars will give you an opportunity to hear about the newly merged Newcastle and Stafford Colleges Group and how we can help your business gain the leading edge. You will hear about the support we can offer businesses in regards to work-based learning and apprenticeships as well as details of how your business can get involved in supporting exciting developments relating to our full-time provision.

We will be joined by a recognised industry speaker who will provide an update on the changing landscape of apprenticeships; including the latest government updates on the levy, funding reforms and the digital apprenticeship service.

- > Registration & light refreshments
- > Introduction to Newcastle & Stafford Colleges Group
  - > The changing landscape of apprenticeships – what it means for your business
    - > Q&A panel
  - > Opportunity for networking & close

**Stafford College:**

registration will open from 8:00am, with a continental breakfast served on arrival. The seminar will commence at 8:30am prompt

**Newcastle-under-Lyme College:**

registration will open from 12 noon, with a buffet-style lunch served on arrival. The seminar will commence at 12:30pm prompt

**FEATURING GUEST SPEAKER:  
BEEJ KACZMARCZYK**

---

Beej is well-known in the FE and Skills sector and has an excellent reputation for his skills as a consultant and trainer, and has an expert knowledge of education policy, management, planning, teaching and learning, funding and finance. An experienced consultant with over 20 years' experience, he has worked across a wide range of educational institutions in both the UK and abroad. As a Senior Consultant with Network Training he has led and developed new leadership programmes for senior and middle managers in the post-16 sector, delivered a wide range of national and in-house events, as well as providing interim support to FE colleges.
